### Additional Information:

- Students are invited to attend the Keynote if they can stay that late.

## REGISTRATION INFORMATION

All participating students **MUST** be registered in advance. We do not recommend that students or groups of students arrive onsite without pre-registration as we cannot guarantee that space will be available.

The following private, exclusive registration link must be used to access the Student Program. You will **not** be able to register for the student program through the published attendee registration link.

[CLICK HERE TO REGISTER FOR THE RMISC STUDENT PROGRAM](https://iplanit.swoogo.com/RMISC2019/begin?reg_type_id=40878) or use the following link: [https://iplanit.swoogo.com/RMISC2019/begin?reg\\_type\\_id=40878](https://iplanit.swoogo.com/RMISC2019/begin?reg_type_id=40878)

Helpful notes about registration:

- Each student will be registered individually.
  - If you are a teacher, parent or group leader registering more than one student, you will have the option to click “Add Another Person” before submitting the registration. This will allow you to easily enter individual names and details without having to re-enter information that might stay the same, such as School and main contact information.
- You will need to have individual student names and information in order to register. Once registrations are submitted, you will have the ability to add names (pending space availability), change names or cancel names.
- In preparation for completing your registrations, you will need to know the following information:
  - Name of primary contact (team leader, teacher or chaperone) and a mobile phone number
  - Name and mobile number of an emergency contact for anyone under 18
  - Any special ADA requirements or dietary restrictions/allergies for any individuals
- Living Security Escape Room sessions are first come first serve, and each session is capped at 16 people.

Thank you for your interest and participation. Should you have any questions regarding content or schedule of the program, please contact Don Mapes at [donald.mapes@rubinbrown.com](mailto:donald.mapes@rubinbrown.com). Should you have a question specific to the registration process, please contact [rmisc@iplanitmeetings.com](mailto:rmisc@iplanitmeetings.com).
