

ROCKY MOUNTAIN Information Security Conference

Co-Hosted by ISACA & ISSA Denver Chapters

RMISC Member Referral Program

As a way to grow our attendance to the Rocky Mountain Information Security Conference, the ISSA and ISACA Denver Chapters are offering a referral program to its members. We want you to spread the word about RMISC and we want to reward you for doing it! For every new conference attendee that a member refers, they will get an entry into a prize drawing to be held at the conclusion of the conference. If the new attendee also signs up for the pre-conference workshops, the member will receive 2 entries. The Grand Prize given away in the prize drawing will be a new iPad! In addition to the drawing, the member with the largest number of referrals will get a \$100 gift card.

Rules:

- Only current ISSA Denver and ISACA Denver members are eligible to participate
- A “new conference attendee” is defined by someone that did not attend the 2012 Rocky Mountain Information Security Conference
- ISSA and ISACA Board Members are not eligible for prizes
- The referrer's name must be included in the “Referred by” field on the new conference attendee’s original registration
- New conference attendees that sign up for the pre-conference workshops will count as 2 referrals and give 2 entries into the prize drawing
- Prizes will be drawn at the concluding reception for the conference. You do not need to be present to win.
- Prizes:
 - \$100 gift card for the most total referrals
 - Drawing grand prize - iPad
 - Additional prizes will be given away during the drawing

Start spreading the word and win!
