

## Scholarship Opportunity

Through the generous support of our members, the Denver Chapter of the ISACA is making \$6,000 available for scholarships in 2017 (five individual scholarships - one in the amount of \$2,000, two in the amount of \$1,500, and two in the amount of \$500). Current full-time or part-time undergraduate or graduate students who are studying information systems, business, accounting, or computer science at an accredited college in Colorado are invited to apply.

To be eligible for the scholarships, the following criteria must be met:

- Completed application
- Prepare a typed single-spaced essay that is 2-3 pages or a 2-5 minute video discussing a topic of your choosing from among the following four categories (examples of topics given in parentheses):
  - IT Governance (e.g., how IBM's Smarter Planet Initiative effectively utilizes information technology to advance strategic goals for the company)
  - IT Assurance (e.g., the importance of IT Assurance Services for outsourced IT services business models like Apptis, Inc.)
  - IT Security (e.g., security issues surrounding the utilization of cloud computing)
  - IT Risk Management (e.g., Integration of IT Risk Management with Enterprise Risk Management)
- Full or part-time undergraduate or graduate student at an accredited Colorado institution in good standing who is currently residing in the state of Colorado.
- Pursuing business or information systems related degrees, such as: Business Information Systems, Computer Information Systems, Accounting, Business or Computer Science.
- Must be a currently enrolled student as of the scholarship due date.
- Provide a copy of transcripts to prove enrollment. Transcripts do not need to be official transcripts - transcripts printed by the student from the University's system are acceptable.
- Final Recipients will attend a complimentary ISACA meeting in order to present the scholarship and meet the membership.
- ISACA members are not eligible, with the exception of student members.

Applications, transcripts, and essays/video submissions must be emailed to [scholarship@isaca-denver.org](mailto:scholarship@isaca-denver.org) by March 17, 2017. Applications and essays/video submissions will be evaluated by volunteer ISACA members. Funds will be issued directly to the student by the ISACA Denver Chapter.
