

MAXIMIZE IT CAREER OPPORTUNITIES.

Get a head start on your future success. Joining ISACA® will open the door to the connections, knowledge and professional development tools you need to succeed as you pursue your career.

ISACA is a pace-setting global membership association for IT professionals. ISACA's more than 95,000 constituents and 180 chapters include information systems (IS) auditors, consultants, educators, IS security professionals, regulators, risk and compliance managers, chief information officers and internal auditors, to name a few. Some are new to the field and others are seasoned professionals. They work all over the world in nearly all industry categories. This diversity enables members to learn from each other, develop professional connections and exchange viewpoints on industry topics.

ISACA engages in the development, adoption and use of globally accepted, industry-leading IS knowledge and practices. ISACA helps its members achieve individual and organizational success, resulting in greater trust in and value from, information systems.

BECOMING AN ISACA STUDENT MEMBER

As an ISACA student member, you will join a community of more than 1,000 students in more than 300 universities worldwide. ISACA student members major in a variety of areas including:

- Information systems
- Business administration
- Accounting
- Information technology
- Engineering
- Computer science

Become an ISACA student member today! Complete the application at www.isaca.org/studentmember. To qualify as a student member you must be considered a full-time student by your university/college or be enrolled in at least 12 credit hours as an undergraduate student (9 credit hours as a graduate student). Your new membership will give you access to all of the contacts, knowledge and tools you need to develop your professional identity.

WHAT'S IN IT FOR YOU?

COMMUNITY AND LEADERSHIP

Connect with practitioners in a global community

Through ISACA membership, you can get to know future employers, connect with a global community and pursue leadership opportunities. Student membership provides access to:

- **Online professional networking and Knowledge Center**—Connect with peers and mentors through ISACA's online Knowledge Center—A meeting place for IT professionals who share common professional interests. A wide range of disciplines and practices powers this global professional community, making it a truly unique and holistic resource. www.isaca.org/knowledgecenter
- **Local benefits**—Participate locally with a community of professionals that share mutual goals, interests and commitments. Your local chapter (www.isaca.org/chapters) is a great place to learn about career opportunities in your area, make valuable connections, share knowledge and discover new opportunities in your profession.
- **ISACA Student Groups (ISG)**—Start an ISACA Student Group at your school to gain valuable leadership experience and position yourself for success after graduation. Each ISG is recognized by ISACA International and affiliated with and supported by a local chapter of ISACA. www.isaca.org/studentgroup

RESEARCH AND KNOWLEDGE

Expand your learning and open the door to professional resources

A new, extensive web site full of membership resources provides opportunities to increase your knowledge on topics that are important to you and your career. These resources include:

- **Knowledge Center**—Access a searchable, global IT knowledge resource with a wide range of disciplines and practices. Participants can consume information, exchange expertise and experience, and build new understanding through collaboration. www.isaca.org/knowledgecenter
- **ISACA® Journal**—Browse the online, fully interactive, replica of the *ISACA Journal*. The Journal features current IS topics and trends, provides professional development information and offers quizzes as a source for continuing professional education (CPE) credit. www.isaca.org/journal
- **Free publication downloads**—Access free downloads of publications such as *IT Assurance Guide: Using COBIT®*, *Implementing and Continually Improving IT Governance*, *COBIT Security Baseline, 2nd Edition* and the *Risk IT Framework*. www.isaca.org/downloads
- **Discounts on publications**—Receive discounts on IT research publications and convenient access to peer-reviewed ISACA Bookstore publications. www.isaca.org/bookstore
- **ISACA eLibrary**—Search and browse over 400 books from ISACA and third-party publishers in a collection specifically customized for ISACA members. www.isaca.org/elibrary
- **Free Download of COBIT®**—Get free baseline functionality of COBIT Online®, an increasingly internationally accepted set of guidance materials for IT governance, and discounts on the purchase of hard copies of COBIT. www.isaca.org/cobit

PROFESSIONAL DEVELOPMENT

Increase your value

ISACA student membership gives you the opportunity to advance your career. Development tools available to student members include:

- **Career Centre**—Access the online Career Centre to post résumés/CVs and request e-mail notification of new jobs free-of-charge. www.isaca.org/careercentre
- **Conferences and training**—Discounts on more than 25 ISACA events and conferences annually.
- **Webcasts and e-symposia**—Take advantage of free, monthly e-symposia.
- **Local education**—Participate in local educational programs and information exchanges through regular chapter meetings and events. www.isaca.org/chapters
